I request the Government to sanction the provision of an additional fan and a light for the District Superintendent's room in the District Police Office at Mangalore, South Kanara District.

2.(i) In order to provide a proper office room for the Office Superintendent, District Police Office, Mangalore, it has been proposed in consultation with the Executive Engineer, Public Works Department, South Kanara that a portion of the District Superintendent's room be apportioned with a wooden partition to accommodate the Office Superintendent. This proposal involves the provision of an additional fan and a light for the District Superintendent's room.

(ii) The seating arrangements of the Officer and the staff as shown in the sketch enclosed do not permit of any re-arrangement or readjustment of the existing fans. Sub:- Buildings - Police - South Kanara District - Dt. Police Office - provision of an additional fan and a light point - proposal for the.
Ref:- Correspondence resting with C.O.Memo.R.C.No.693/HB/51. dated 3-4-51.

The Executive Engineer, South Kanara Division is intimation of the particulars to be furnished to Chief Office with reference

to the memorandum cited deputed the Sub Divisional Officer, North P.W.D. Mangalore to visit the Dt. Police Office during the office hours to assess the necessity or otherwise of putting up the fresh proposal. He had been convinced of the direct necessity for the provision of an additional fan point and an additional light point for the D.S.P. as per the sketch enclosed. A copy of letter No. 1324/I dated 14-5-51 of the Executive Engineer is also enclosed for favour of information.

2. I have since intimated to the Executive Engineer that the original estimate for Rs.65/- for shifting the existing fan and providing an additional point for a light may be held in abeyance until final orders are passed by the Government on the present revised proposal, viz. for an additional fan point only as the other part of it will be sanctioned by me under orders in the amendment issued in Finance Department Memo.No.49797-A/Exp.A-6, dated 11-4-50 empowering me to sanction expenditure upto Rs.200/- for extensions, etc. to existing electrical installations.

3. I fully concur with the opinion offered by the Executive Engineer and endorse the other particulars furnished by him.

4. The existing strength of the office staff is noted below:-

Superintendent	1
Accountants	2
Upper Divn.	
Clerks	4
Lower Divn.	
Clerks	20
Typists	2
Peon	1

The seating arrangements of the officer and the staff as shown in the sketch do not permit of any re-arrangement or re-adjustment of the existing fan points.

5. I, therefore, request that the Government may kindly be addressed to accord sanction for the provision of an additional fan point for the D.S.P's room with the direction that the expenditure thereof is to be met from the departmental funds.

Copy of letter No.1324/I, dated 14-5-51 of the Executive Engineer, South Kanara Division, Mangalore-3.

Sub:- Accommodation in the D.P.Office- D.S.P's room - fan point.

Ref:- D.S.P's letter Ref.C.No.7873/B/50, dated 10-4-51.

A plan of the Dt.Police Office showing the seating arrangements of the officers and staff is enclosed.

2) From the plan it will be seen that it is really inconvenient to shift any of the existing fans or light points. The only alternative is to provide for a fresh fan and light point to the D.S.P's room newly formed by separating the Superintendent's portion by putting up a wooden partition.

3) Regarding the points raised by the Inspector General the expenditure of Rs.65/- as per sanctioned estimate is to be met from the Police funds as it is not a listed work for execution by the Public Works Department.

3

4) The cost of an additional fan to the D.S.P's office is about Rs.300/- and about Rs.50/- more for an additional light point.

5) The strength of the Police staff may be furnished by the D.S.P. As stated above it is not convenient to shift any of the existing fans without causing great inconvenience to a number of the clerks.
